(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§ 226.31 through 226.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, USAID retains the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 226.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of USAID to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §§ 226.26.

(4) Property management requirements in §§ 226.31 through 226.37.

(5) Records retention as required in § 226.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of USAID and the recipient, provided the responsibilities of the recipient referred to in paragraph 226.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 226.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. mines to have been expended for purposes not in accordance with the terms and condition of the award, including but not limited to costs which are not allowable in accordance with the applicable Federal cost principles or other terms and conditions of the award. If not paid within a reasonable period after the demand for payment, USAID may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient, or

(3) Taking other action permitted by law.

(b) Except as otherwise provided by law, USAID will charge interest on an overdue debt in accordance with 4 CFR Chapter II, “Federal Claims Collection Standards.”

§ 226.91

(b) Decisions of the USAID Agreement Officer shall be final unless, within 30 days of receipt of the decision, the grantee appeals the decision to USAID's Deputy Assistant Administrator for Management, USAID, Washington, DC 20523. Appeals must be in writing with a copy concurrently furnished to the Agreement Officer.

(c) In order to facilitate review on the record by the Deputy Assistant Administrator for Management, the recipient shall be given an opportunity to submit written evidence in support of its appeal. No hearing will be provided.

(d) Decisions by the Deputy Assistant Administrator for Management shall be final.

§ 226.91 Marking.

(a) USAID policy is that all programs, projects, activities, public communications, and commodities, specified further at paragraph (b)–(e) of this section, partially or fully funded by a USAID grant or cooperative agreement or other assistance award or subaward must be marked appropriately overseas with the USAID Identity, of a size and prominence equivalent to or greater than the recipient's, other donor's or any other third party's identity or logo.

(1) USAID reserves the right to require the USAID Identity to be larger and more prominent if it is the majority donor, or to require that a cooperating country government's identity be larger and more prominent if circumstances warrant; any such requirement will be on a case-by-case basis depending on the audience, program goals and materials produced.

(2) USAID reserves the right to request pre-production review of USAID funded public communications and program materials for compliance with the approved Marking Plan.

(3) USAID reserves the right to require marking with the USAID Identity in the event the recipient does not choose to mark with its own identity or logo.

(4) To ensure that the marking requirements “flow down” to subrecipients of subawards, recipients of USAID funded grants and cooperative agreements or other assistance awards are

required to include a USAID-approved marking provision in any USAID funded subaward, as follows:

As a condition of receipt of this subaward, marking with the USAID Identity of a size and prominence equivalent to or greater than the recipient's, subrecipient's, other donor's or third party's is required. In the event the recipient chooses not to require marking with its own identity or logo by the subrecipient, USAID may, at its discretion, require marking by the subrecipient with the USAID Identity.

(b) Subject to § 226.91 (a), (h), and (j), program, project, or activity sites funded by USAID, including visible infrastructure projects (for example, roads, bridges, buildings) or other programs, projects, or activities that are physical in nature (for example, agriculture, forestry, water management), must be marked with the USAID Identity. Temporary signs or plaques should be erected early in the construction or implementation phase. When construction or implementation is complete, a permanent, durable sign, plaque or other marking must be installed.

(c) Subject to § 226.91 (a), (h), and (j), technical assistance, studies, reports, papers, publications, audio-visual productions, public service announcements, Web sites/Internet activities and other promotional, informational, media, or communications products funded by USAID must be marked with the USAID Identity.

(1) Any “public communications” as defined in § 226.2, funded by USAID, in which the content has not been approved by USAID, must contain the following disclaimer:

This study/report/audio/visual/other information/media product (specify) is made possible by the generous support of the American people through the United States Agency for International Development (USAID). The contents are the responsibility of [insert recipient name] and do not necessarily reflect the views of USAID or the United States Government.

(2) The recipient shall provide the Cognizant Technical Officer (CTO) or other USAID personnel designated in the grant or cooperative agreement with at least two copies of all program and communications materials produced under the award. In addition, the
